

“Move Fast.”

“Be Fearless.”

“...with Less.” They Said.

When it works -

it's *never* just about the tech

...space was made for **change**.

Structure = Speed

Dan Charnas

*Design your time, space, and
mind like a chef prepares their
station - to enable **flow**.*

Capacity → Velocity

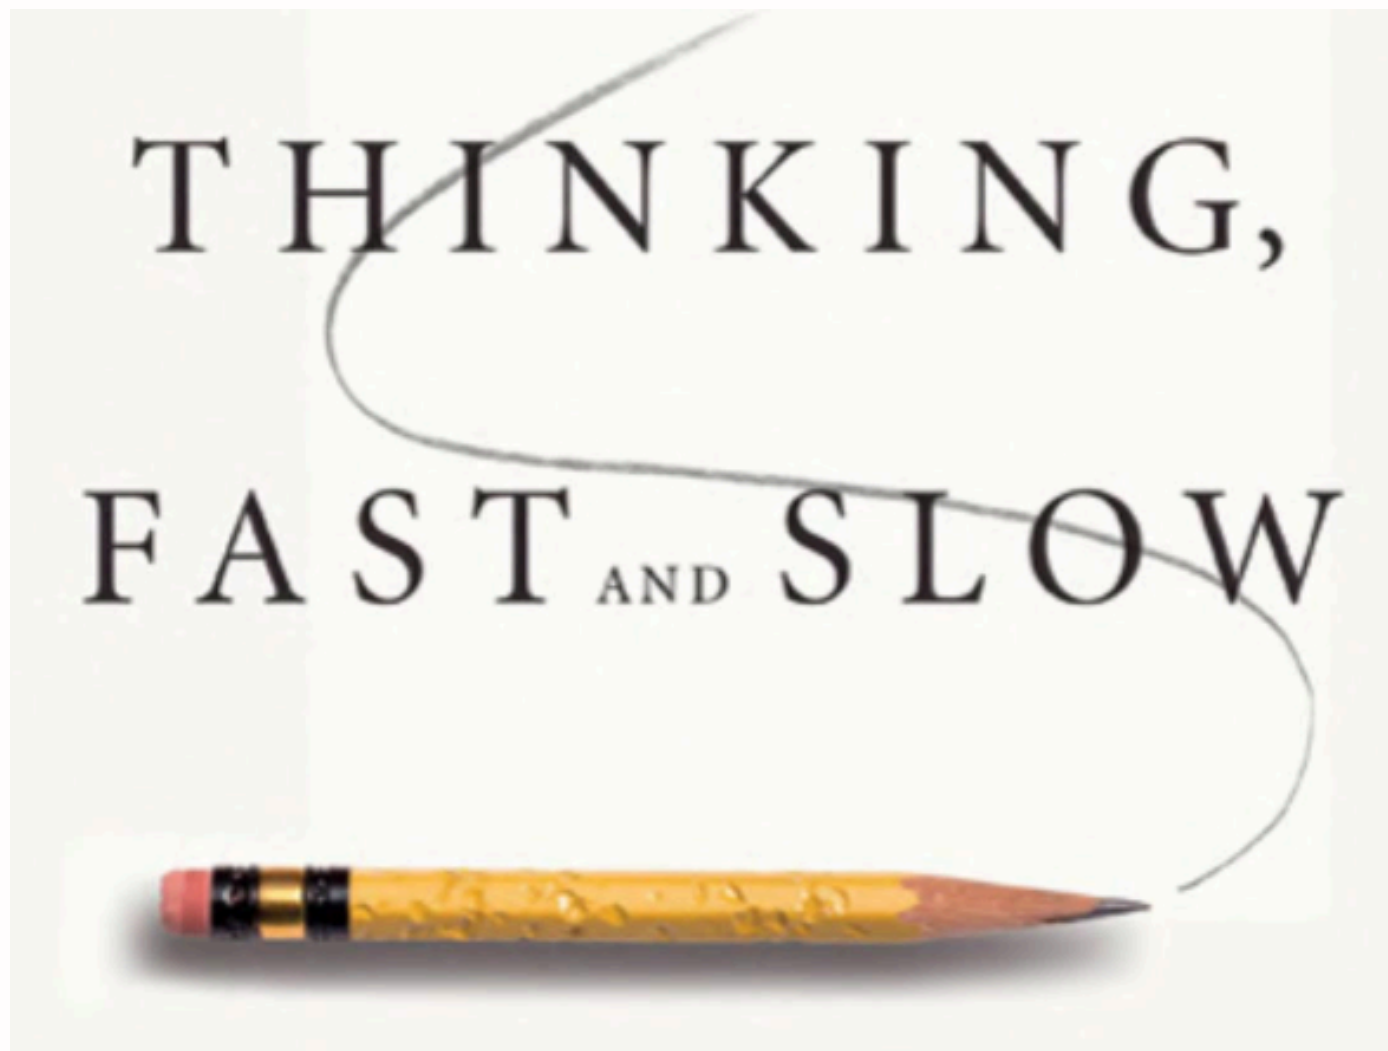

Rich Roll

Train **slow**.
Build strong.
Go **fast**.

People + Process

Daniel Kahneman

Intuition moves fast.
Clarity is deep.
Tools should enable both.

@jennchin | Slide 4 of 5

Change needs space to breathe.

When structure is clear,
capacity is built,
clarity is cultivated,
and people are supported...

Organizations move forward together.
